Patreon Fundraising

stories2music has launched a s2m Patreon site to raise funds for music licensing. [Patreon](#) is a fundraising site that allows people to support the work of their favorite artists through monthly or project-based donations. Help support the licensing of s2m stories: <https://www.patreon.com/stories2music>

Bravura Literary Journal

“The Boy Who Was Loved by the Wind” story has been accepted for publication in the *Bravura Literary Journal* for May 2018. [Bravura](#) is an award-winning Palomar College journal. The story also won 3rd Place in the Prose category.

poetry2music?

Can poetry be set to film music like stories2music? We set the poem “Terrible Love” by Christian poet Jean Noah to the extraordinary film music “In Memoriam” by Christian Telford and Matthew St Laurent. The mingling of the words with the music created a deeply moving poetry2music. It is currently awaiting funding for music licensing.

News

Check out the first of five new s2m blog posts: [A Flash of Story and Music](#). Upcoming topics will include media grammar and film music; audio stories’ effect on the imagination; audio books with full cast dramatizations; and synchronized film music and audio stories.

The Boy Who Was Loved by the Wind e-book was mentioned in two publications from the National University Sanford School of Education:

- The Quest Scholarship & Research Newsletter (March 2018)
- The Dean’s Digest (March 30, 2018) and (April 13, 2018).

See the News section of the s2m website to view them.
